## SPECIALTY STEEL INDUSTRY OF NORTH AMERICA

MEMBER SINCE 2016

The U.S. Green Building Council is the nation's foremost coalition of leaders working to transform the way buildings and communities are designed, built, and operated, enabling an environmentally and socially responsible, healthy, and prosperous environment that improves the quality of life.

A handwritten signature in black ink, appearing to read "R." with a horizontal line extending to the right.

S. RICHARD FEDRIZZI  
President, CEO, & Founding Chair
